About Us

With an intention of introducing a quality-assured range of machinery in the market, we, Vishvakarma Machine Tools, began our operations. Established in 1986, we are a Gujarat-based manufacturer, supplier, exporter and retailer of Electric Batch Fryer, Stainless Steel Potato Peeling Machine, Stainless Steel Idli Maker, Jaggery Cutting Machine, Heavy Duty Dough Kneader, and various types of kitchen equipment. These products are manufactured using the best available raw material and processed with the most advanced technology. Our products are vastly used in the food processing industries for the effective and efficient execution of processes like cutting, roasting, freezing, kneading, peeling, washing, separating, mixing, slicing, and sealing. In addition to designing and delivering innovative Food Processing Machine and Hotel Kitchen Equipment, we also provide Food Machine Installation, Kitchen Equipment Job Work Service, and others, as a reliable service provider. For nearly four decades, we have been serving our customers across the globe to perfection with our excellent range of products and client-oriented service policies.

Vishvakarma Machine Tools is a reputed name in the global market delivering the finest range of Hotel Kitchen Equipment, Food Processing Machine, Stainless Steel Table, Jaggery Cutting Machine, etc. We are a manufacturer, supplier, retailer and exporter of Dhokla Maker Machine, Electric Batch Fryer, Mango Pulp Making Machine, and other kitchen equipment and tools. Our provided services include Installation and Job Work Services. With our head office in Rajkot, Gujarat, India, we are able to conduct our operations smoothly and cater to needs of clients even from distant lands like Canada, England, America, China and Africa. We have maintained strategic relationships with leading logistics companies that enable us to deliver our products safely to global customers.
